## SUMMARY

---

Hi there! My name is Aris and I am a self-taught programmer that is looking for my first professional experience as a Web/Front-end developer. As a full-time developer I hope to accelerate my development and work on my skills and development full-time.

I am originally from Greece where I have a background as a professional football player as well as an officer in the Greek special forces. I am currently working as a P.E. teacher as well as a youth coach at an academy level at Djurgardens IF.

## WORK EXPERIENCE

---

### Self-taught programmer

Jan 2022 - present

*Web/Frontend development*

Working on gaining proficiency as a JavaScript developer both by studying datastructures and algorithms, and working on personal projects to gain further experience as web developer with HTML and CSS.

### Djurgardens IF

Sep 2018 - present

*Youth coach*

I am a youth coach for various ages at Djurgardens IF academy level.

### Stockholm Municipality

Aug 2015 - present

*Physical education*

Physical education and movement is a passion, and I enjoy teaching my students the importance of fitness and health. I have worked at various schools in the Stockholm Municipality and I am currently employed at Kista Grundscola where I teach grades 7-9.

### Pyrros Grevena F.C.

Jul 2013 - Jul 2015

*Professional Football Player*

Professional football player for Pyrros Grevena F.C. in Greece's second highest professional league.

### Greek Special Forces

Oct 2011 - Dec 2012

*Officer*

I was an Officer in the Greek Special Forces Mountain Division where I commanded a unit of 60 soldiers.

### PAOK F.C.

Jul 2005 - Jul 2011

*Professional Football Player*

Professional football player for PAOK FC in Greece's highest professional league.

## PROJECTS

---

### Personal projects

*All projects are available on my github at [www.github.com/ariselef](https://www.github.com/ariselef).*
